

Dear friends,

I am writing to you on behalf of the Spanish Festival in Zaragoza (from 1st to 05th September) which is very interested in inviting some Austrian group.

Zaragoza is located in the Eastern of Spain.

May you tell me please, if you could recommend some good Austrian group for this festival?

I would like also ask you if there is some festival in Austria interested in inviting a Spanish group. (From Zaragoza)

Looking forward to hearing from you

Kindest regards
